

## About Charles River Associates

Charles River Associates is a leading global consulting firm that provides independent economic and financial analysis of litigation matters; guides businesses through critical strategy and operational issues to become more profitable; and advises governments and regulatory agencies on the economic impact of policies and regulations.

Our clients include major law firms, corporations, regulatory agencies, accounting firms, and governments around the world. We advise more than half of the Fortune 100 companies and 90 percent of the top 100 law firms. They depend on us for rigorous, fact-based analysis; deep knowledge of multiple industries; and objective, tailored solutions to complex problems.

CRA's 40-plus years of accomplishments on behalf of our clients is a reflection of the firm's exceptional talent. Many of our consultants are recognized experts in their respective fields, and we have long, close relationships with a select group of respected scholars and industry specialists.

Headquartered in Boston, the firm has offices internationally. For more information, please visit [www.crai.com](http://www.crai.com).

## Expertise

CRA's consultants combine uncommon intellectual acumen with practical experience and in-depth understanding of industries and markets. We are adept at handling tough assignments with pivotal and high-stakes outcomes. Our analytical strength enables us to reach objective, factual conclusions that help our clients make important business and policy decisions and resolve critical disputes.
