GDPR goes into effect on May 25, 2018...many organizations are taking a wait and see approach. Non-compliance will result in fines of up to €20 million or 4% of the organization's worldwide annual revenue of the prior financial year.

Who will be hit first and to what extent? Will the EU Supervisory Authorities (SAs) and the European Data Protection Board show any leniency?

Only time will tell...still have time...better late than never!

Which leading firms will you call on to help you fight liability and damages stemming from regulatory action, as well as subsequent securities class action claims? How will you protect the board from exposure?
